For Schools
RECYCLING CHALLENGE
Feb. 1st - March 31st 2021

Hello School Families,

The CLYNK for Schools Annual Recycling Challenge is on and we need your help! During the 2021 Recycling Challenge, February 1 – March 31, our school will earn an **additional 50¢ for every \$1 raised**, through bottle and can redemption at CLYNK, plus the opportunity to earn other cash prizes while promoting recycling and environmental awareness in our community. Recycle, redeem and raise funds for our school.

It's **easy** to help.

1. Discuss recycling and protecting the environment with your child. Sign our Green Team Pledge and commit to increasing your family's recycling. Pledges may be proudly displayed at school.
2. Fill a CLYNK collection bag tagged with our school's account information with your cans and bottles.
3. Drop filled bags at the closest CLYNK drop location (at your neighborhood Hannaford Supermarket)
4. Already a CLYNK family?
 - Attach our school's CLYNK tag to your next family's CLYNK bags
 - Assign your family's CLYNK collections to our school during the Recycling Challenge (February 1 – March 31) or all year round
