

_____ is excited to announce a fundraiser that helps our school and the household! CLYNK is an innovative redemption program for bottles and cans that makes recycling quick, simple and convenient.

Simply fill your special CLYNK bag with Maine redeemable bottles and cans, tag the bag with the square sticker provided, and scan and drop it off at a local Hannaford. **That's it!** Your returns are processed for you and every cent goes directly to our fundraising efforts.

If you're interested, please return the bottom portion of this flyer to the school or email _____, and we'll make sure to get some bags to you ASAP! You can also pick up bags at the school's main office.

PLEASE NOTE: Between February 17th - April 24th, 2017, Hannaford will match an extra 50¢ for every \$1 raised, and top performing schools win cash prizes. Help us take advantage of this competition period, and **drop off bags before April 24th**. If you have a regular CLYNK account, you can also support this fundraiser by donating your balance, and we'll still earn the Hannaford match. Simply login at clynk.com, locate the "donate" tab, and search for our name. **Thank you!**

Yes, I'm interested! Please send me some CLYNK bags!

Name: _____

Student's Name: _____

Homeroom Teacher: _____

Thank you for supporting our school.
